SHARE YOUR THOUGHTS ABOUT LTD

We want to hear from you! Take LTD's annual customer satisfaction survey now through April 30 to tell us how we're doing. Whether you use the buses frequently, occasionally, or hardly at all, we want to hear from you! People who complete the survey will be entered to win a \$100 gift card to Fred Meyer. The survey takes 3–5 minutes to complete and is available March 27–April 30. Printed surveys are available upon request at the Customer Service Center and can be returned there once completed.

HIRING BUS OPERATORS

ENDLESS SUMMER FUN WITH LTD'S FREE STUDENT TRANSIT PASS

As the school year comes to an end, Lane Transit District wants to remind students to get their free Student Transit Pass before summer break. All K-12 students in public, private, charter, and home schools across Lane County are eligible for the Student Transit Pass program. Students and parents can visit their school's office to get an electronic tap card or information about how to use the Umo Mobility app to redeem a Student Transit Pass. Students must get their bus pass before the last day of school to continue riding the bus for free all summer long.

For more information visit your school's office or [LTD's Student Pass](#) webpage.

HAPPY EARTH MONTH!

Earth Day is Every Day at LTD

Earth Day was first observed in 1970 to bring awareness to air and water pollution. Now, more than a billion people around the world join together on April 22 to advocate for action, environmental justice, and policy change. At LTD, we're committed to making Earth Day initiatives and environmental justice a year-round effort. We are meeting the urgent need to address climate change by committing to eliminate fossil fuels from our fleet by 2035 and encouraging our community to choose public transportation, biking, and walking. When you choose transit, you are participating in climate action. Thanks for joining us as we work toward creating a more connected, sustainable, and equitable community.
